## LEGISLATIVE BUSINESS.

### The Kerala Agrarian Relations Bill (*contd.*)

**Mr. Speaker:** Now we will continue discussion on the Agrarian Relations Bill.

**Shri M. Narayana Kurup:** It is right that it is put in the agenda. According to the items in the agenda the Agrarian Relations Bill is to be taken up now. But there are only a very few Rules left to be discussed in the Education Rules. We are almost at the end and it is better to discuss the Education Rules now.

**Mr. Speaker:** If the House so decides it can be done. The House appears to be inclined to take up the Agrarian Relations Bill.

The Revenue Minister may move her amendment.

**Smt. K. R. Gouri:** In clause 4 for the marginal heading substitute the following :

"Certain Odacharthudars and persons claiming under them to be tenants".

**Mr. Speaker:** All the amendments were moved the other day. This is a new one. Now there is a third supplement list and a fourth supplement list. Is there any means by which we can restrict the tabling of further amendments.

**Shri M. Narayana Kurup:** Government cannot be prevented. Others can be prevented.
